posing them on the Republican  
ticket are Albert E. Cobo, Mayor  
of Detroit; candidate for Governor,  
Clarence A. Reid; candidate for  
Lieut. Governor, John B. Martin;  
candidate for Secretary of State,  
Richard C. VanDusen; candidate  
for Attorney General, Frank C.  
Pardue; candidate for State  
Treasurer, Paul D. Bagwell;  
candidate for Auditor General,  
The Republican party is the only  
party which offers a full slate of  
candidates. The Democratic party  
has a full slate of candidates for  
state, congressional and legislative  
posts but has but one candidate  
for county offices. The third  
party appearing on the ballot will be  
the Prohibition Party who offered  
candidates only for President,  
Vice President, Governor, Lieut.  
Governor, Secretary of State,  
State Treasurer and Auditor Gen-  
eral.

Of course, the greatest amount  
of interest is projected to the top  
of the officers ballot where in-  
cumbent Dwight D. Eisenhower,  
President of the United States  
and Richard M. Nixon, Vice-  
President are opposed on the Dem-  
ocratic ticket by Adlai E. Steven-  
son and Estes Kefauver respec-  
tively and on the Prohibition ticket  
by Enoch A. Holtwick and  
Edwin A. Cooper respectively.

Registration figures in Craw-  
ford County tops all records with  
every township and both pre-  
cincts in the City of Grayling  
showing sizeable increases. A re-  
census in November is forecast  
by veteran observers.

### P.T.A. Meeting Monday, Oct. 22

The regular Parent Teachers  
Association meeting held Monday  
evening at the high school gym  
enjoyed an attendance of some  
one hundred parents and teach-  
ers.

Mrs. Robert Funck, president  
presided at the business meeting.  
The secretary's and treasurer's re-  
ports were read and approved.  
The latter showed a cash on hand  
of \$114.34. A letter of acknowl-  
edgment was read from the  
Heart Association and a thank  
you note from Mrs. Alex Atkin-  
son and children in regard to the  
donation made by the association  
to the heart fund in memory of  
Mr. Atkinson.

Mrs. Russell Mosher, mem-  
bership chairman reported that there  
are 125 paid members to date.  
Mrs. Ted Wheeler, in is in  
charge of sales of the PTA mag-  
azine, reported only two have been  
sold. The magazine costs only  
\$1.25 per year and members are  
urged to subscribe. Those inter-  
ested can send Mrs. Wheeler.  
Mrs. Robert Klein, chairman of  
the by-laws committee handed  
out mimeographed copies of the  
proposed by-laws to each person  
present. Thanks to Miss Phyllis  
Nicholl, Bob Houghton, Ed Ve-  
roger, Rasmussen and Ronald  
Schofield for furnishing copies.  
The by-laws are to be voted upon  
at the January meeting. In regard  
to the crossing at US-27, Joseph  
Stripe reported that two safety  
figures have been obtained and  
the city police contacted to be on  
duty at the crossing. The exact  
location of the crossing will be an-  
nounced.

Playground improvement in the  
nature of black topping a portion  
was discussed. There being no  
volunteer to head a committee to  
investigate the project it was left  
up to Mrs. Funck and Mr. Stripe  
to solve the problem.

Claude Haised reported on the  
Scouting project and urged all in-  
terested to attend the meeting on  
Tuesday evening at the Sports-  
men's Club. Hall. Boys 11 to 14  
are eligible.

November 12th will be open  
house at the school, the time to  
be announced later. This will take  
the place of the regular PTA  
meeting for November. The P.T.A.  
is to furnish refreshments and  
hospitality.

There will be no meeting of the  
executive board until further no-  
tice.

The room check found two  
ies. Mrs. Edgar Caid's third  
grade and Elmer Fenton's, ninth  
grade with 13 each and St. Mary's  
third, fourth and fifth, and  
sixth with four each. Each will  
receive the usual reward.

Mrs. Joseph Hull, introduced  
Cpl. Lyle Hathaway of the Hough-  
ton Lake State Police Post who  
gave a most interesting talk on  
child delinquency. He pointed out  
that closer fellowship within  
the family does much to do away  
with delinquency. Also that new  
laws recently passed are making  
the task of the police easier in  
prosecuting offenders.

In the case of molesters he suggested  
that parents see to it that their  
child is not allowed to go places  
alone. It is the lone child who is  
most in danger.

## C. of C. Meeting

(Continued from Page 1)

He advised also that parents cau-  
tion their children to never ac-  
cept rides, candy, etc. from  
strangers. He stated the real an-  
swer to delinquency is more inter-  
est in the home and community.

Refreshments were furnished  
by Mrs. Marion Butch, Mrs. Phil  
Smith, Mrs. Nyland Houghton,  
Mrs. Oscar Goss, Mrs. Marie  
Herrick and Mrs. Wm. Martin.  
12th grade mothers. They were  
served by Mrs. Walter Mikesell,  
committee chairman. Mrs. Phil  
Smith, Mrs. Marguerite Leslie  
and Mrs. Charles Kroll.

## Frederic School News

12th grade — Our Senior Class

is now selling Christmas Wrapp-  
ings and Ribbon, along with our  
Stationery Drive. We had an off-  
road from the Baltimore and Ohio  
Railroad for a 4 day trip to Wash-  
ington, D. C. It will cost \$55 a  
person for our 13 members and 2  
sponsors. Many interesting and  
entertaining objects can be seen  
on it yet. Many class members are  
going Pheasant hunting this week-  
end. We hope to report good re-  
sults.

10th grade — Our class gave  
the Freshman their initiation  
party Friday night, October 13th.  
It was fun and real good. But  
the party was interrupted when  
Wayne Barber cut his head and  
was taken to the Grayling Mercy  
Hospital. The cut was not serious  
we are glad to report. Don't for-  
get our Hayride on Oct. 28th. All  
are welcome.

8th grade — We cleaned up the  
playgrounds and the lawn because  
of the danger and mess. This  
week we are making posters on  
it. Donald Mertes shot a bird with  
a band around its leg. We are go-  
ing to send it to Washington, D.  
C. Judy Johnson and Fred Allen  
are making a report on the stor-  
er's snake. (Report to us so we  
may know what it is!)

7th grade — Mike Alma was  
sick and in the Grayling Mercy  
Hospital for some days. We are  
glad to have him back. Beverly  
Thompson gave her dog to some  
people in Grayling, Saturday af-  
ternoon, but Sunday evening he  
returned with a sore foot. Report  
of a 7th grader accident. Report  
Rouse's dog chewed up 2 pair of  
her shoes and ripped her coat!!  
Boy did he get a whacking. The  
7th grade and 8th grade are plan-  
ning an Activity Party together.

3rd and 4th grades — We are  
very happy to have Richard Myers  
back with us after his long illness.  
Patsy Spaulding had a birthday,  
October 19th. Happy birthday  
Patsy. At the last PTA meeting  
our room won the roll call so we  
enjoyed ice cream last Monday.

2nd grade — We sang Happy  
Birthday to Linda Weaver Wed-  
nesday. She was 7 years old. We  
are learning to write letters in  
our class. We wrote one to our  
student helper last year, Sally Jo  
Smith. The class is happy now.  
We have started to make many  
Halloween Decorations for our  
rooms. Our new story being read  
is "Farm on the Hill."

Kindergarten — We went for  
a walk in the woods this week.  
Many things were gathered so we  
have started a "moss garden."

## Let's Face It!

The workings of government, whether we care to admit it or not, vary widely from the teachings of the high school civics book. The system is as the book says, but the book fails to cover the human element that operates the system.

Crawford County finds itself a very small part of the government when it comes to representation - regardless of political party. In the State we share representation with several other counties in the legislature. Nationally we share a Congressman with all the counties from Bay City to Grayling! At a State Convention either party, Crawford has 3 votes out of over 1,600! These facts we cannot change without an increase in population.

On the other hand, recent local vote counts will bear out that we do not utilize the strength we do have! A small percentage of those entitled or privileged to vote take the time to register and vote! This we can change. It's up to every citizen to accept the responsibility. If you vote and get your friends and neighbors to vote regardless of their party affiliation, Crawford County will gain strength! When our Board of Supervisors ask for tax assistance in Lansing, they can point the number of votes they represent; when we feel a little light is needed, our local officials can point to the number of voters they speak for; if our county is in favor of some change in the game laws, the power of a good voting record for the county speaks up. As a record is now, our officials are fortunate if they can receive a reply to correspondence in the Lansing section.

Let's take advantage of what we have—get out the vote and put the county on the map politically.

## From An Elder Statesman . . .

In the view of Herbert Hoover, "the greatest issue in America and all mankind is the encroachments of government to master our lives." That single brief sentence says more than a hundred windy political speeches—or tortuously phrased parti-

Interesting Items of News  
Gathered From the Files of  
the Avalanche of 23  
Years Ago.

November 2, 1933

Our Village and county clerks and secretary of the school board each received last Friday letters of resignation from C. J. McNamara, to take effect October 27. Mr. McNamara was president of the village board and a member of the board of education. The news was rather shocking to the people of Grayling and everyone was quite taken off his feet. For some time it was known among Mr. McNamara's closest friends that he felt that these public duties were taking a great deal of his time, and like most every faithful public servant, he was neglecting his own personal interests in his effort to serve the public.

The township clerks of Frederic, Maple Forest, Lovells and Beaver Creek are busy taking the census of those in their respective townships of the age of 21 years to 70 years, for the purpose of collecting poll tax for the old-age pension cause.

At a special meeting of the village council held Wednesday evening Dr. C. G. Clippert was unanimously elected village president to succeed C. J. McNamara who resigned.

Mrs. Thomas Cassidy is spending this week in Cheboygan visiting relatives. Twins, a boy and a girl, were born to Mr. and Mrs. Joe Kolk on Friday morning. They will be known as Theodore John and Jacqueline Ann.

Mrs. W. F. Evans of Detroit spent last weekend visiting her mother, Mrs. Babbitt. On her return she was accompanied by her main.

Little Luella Burke of Toledo, Ohio, who spent last winter with her aunt and uncle, Mr. and Mrs. George Burke, has returned to spend the coming winter with the Burkes.

Mrs. John Stope, who had been visiting her parents, Mr. and Mrs. William Weiss, for several weeks, returned to her home in Baltimore, Md., Sunday. She was accompanied by her sister, Mrs. O. E. Edin, and children who will join Mr. Edin to make their home there.

Mrs. Esbern Hanson was hostess to her Bridge Club at a very charming luncheon at her summer home at Lake Margrethe Saturday afternoon. The long table at which the guests found their places was centered with a beautiful bouquet of varied chrysanthemums in a silver basket. Miss Margrethe Hanson held the high score in bridge; Miss Margrethe Hanson was a guest of the club. This was the first party of the club for the winter season.

J. E. Schoonover was in Bay City Monday on business.

Richard Lovely attended a house party in West Branch over the weekend.

Willard Cornell was fortunate in attending the Michigan State-Syracuse football game in East Lansing last Saturday.

Miss Ruth Stealy of Charlotte, spent the weekend in Grayling visiting her brother, Dr. Stanley Stealy, who is a patient at Mercy Hospital.

Leo Schram, Ronnow Hanson, Carlisle Brown and Alfred Hanson spent last Thursday in Saginaw, attending the Democratic convention.

Alfred Hermann, of Grand Rapids, spent last week in Grayling visiting Mrs. Hermann and daughter, Barbara, who are visiting Mrs. Hermann's parents, Mr. and Mrs. M. A. Bates.

Phyllis Morris was ten years old Saturday and her little sister Jean was three years old, so they celebrated the occasion by having a birthday party together.

Some of Jean's little playmates there and bigger girls and boys as Phyllis's guests, making 20 in all.

The party was held from 1:30 to 4 o'clock and everyone had a merry time. Jerry Joe Smock and Lois Bradley were prize winners in a couple of contests. Mrs. Morris was the genial owner of the same market.

The Junior Class has shown a lot of enterprise by coming out with a school paper, "Junior

at her home last Saturday afternoon. Twelve little boys and girls, who came dressed in costume, were her guests. Little Miss Donna Kinnel won the prize for having the best costume.

The members of the Sunday School class of Rev. H. J. Salmon sponsored a Halloween party last Tuesday evening to which the public was invited, and some 75 people spent the evening playing games in the dining room of the church, which had been decorated in the spirit of Halloween.

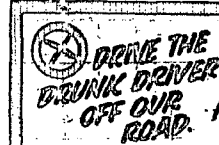

Mr. and Mrs. Elmer Slaven were hosts at a very delightful game dinner at the H. B. Smith cabin on the AuSable, Tuesday evening. The table at which the guests were seated was very cleverly arranged with Halloween decorations. Guests included Mr. and Mrs. Walter Mikesell, Mr. and Mrs. Lawrence Trudeau, Mr. and Mrs. Anthony Trudeau, Jr., Mr. and Mrs. Herbert Trudeau and Mr. and Mrs. Emil Niederer. The evening was spent informally.

Halloween was celebrated in true style Saturday night at the Hay Loft at which a large crowd made merry dancing for several hours. It was a masquerade and there were many clever make-ups among the crowd. Herman Bert of Roscommon received first prize for the gents and Miss Elma Mae Sorenson for the ladies. These were for the best dressed, and prizes were awarded to the most comical, which were none other than Mrs. Carrie Feldhauser, who took the part of the gent, and her partner Mrs. William Moshier. Mrs. Feldhauser is 76 years old and, dressed in overalls, coat and cap, acted the part to a T. There were many surprised people when she unmasked and they discovered who she was. Mrs. Feldhauser is one of these grand old ladies who believe in keeping young and happy by taking part in many social activities.

Twenty-two years ago yesterday November 1st, Arnold Burrows came to Grayling and he said he arrived in one of the heaviest snowstorms that he had ever seen. He came here from Johannesburg to work for Frank Milks. Now he is the genial owner of the same market.

The Junior Class has shown a lot of enterprise by coming out with a school paper, "Junior

columns to each page. It tells of the activities of the Junior and other high school classes. The last page contains advertisements by a large number of our merchants. The Tales will appear twice each month, the first on third Wednesdays. Adolph Peterson began his new job Tuesday morning of assuming the management of the Hanson Hardware Co. He says that he knows the business well, but not the people, but he will learn them.

## SWEPT-WING '57 Dodge

How do you describe a car so daring in concept, so revolutionary in features and advances, so rewarding in beauty and performance?

How do you explain its newness when everything about it is new?

On display today is just such a car—the Swept-Wing '57 Dodge that steps you into the wonderful world of Autodynamics.

What is this wonderful world of Autodynamics? It is a world where everything is new from road to roof to achieve absolute mastery of motion.

Here's what it does in the Swept-Wing Dodge:

- It unleashes a hurricane of power from a thundering new aircraft-type Super Red Ram V-8 engine that's a spitfire in action!
- It tames a tornado of torque with a new TorqueFlite Push-Button Drive for the greatest get-away on the road!

It breaks through the vibration barrier with a revolutionary new rubber-mounted suspension system—Dodge Torson-Aire—that features race car torsion-bars. You ride in a "Realm of Silence," isolated from vibration, noise and road shock.

It is swept-wing mastery of motion in a sleek, low-slung beauty barely 4½ feet high that has no equal in the way it corners, handles and rides.

You have never seen, felt or owned any car that compared with this new Swept-Wing Dodge. See and drive it today... now at your Dodge dealer's!

Report by Ray Murphy Chairman,  
on various road matters.  
To the Honorable Board of Su-  
pervisors:  
We wish to submit to you for  
your information the following  
report on our 1956-57 program of  
road improvement and construc-  
tion.

#### 1. The construction and equip-

ping of a new addition to the pres-  
ent garage for housing new office  
quarters and a stock room. This  
addition on our east side of the  
county will be completed in a  
few days.

#### 2. The grading and graveling of

the Wolfe Road in Beaver Creek  
Township, T25-N4W. This was  
started in the 1955 program and  
is now completed to 3 miles.  
Graveling will be completed on  
our 1956-57 program.

#### 3. Approximately 1 1/2 miles of

road along the east side of the  
Manistee River in Frederic Town-  
ship, T27-N4W was cleared,  
brushed and turped to 30 miles  
gravel. Another section of this  
road is programmed for 1956-57 to  
be cleared and turped.

#### 4. A 3 1/2 mile section is now

being laid out for gravel and gravel  
on the North Down River Road in  
Lovells Township, T27-N4W.  
We hope to complete this section  
for asphalt surface in the sum-  
mer of 1957.

#### 5. The "Road Name" program

is now ready to start and will be  
completed in our 1956-57 program  
and report for a perma-  
nent construction of same.  
Hoping that this bit of infor-

## Letters To The Editor

Dear Mr. Strong:  
Being a former resident of Grayling, I have an item which might be of interest to some of the members of the senior class of Grayling High School.

My son Tom Ward (named after his grand-dad Tom Wells) is a member of the Walled Lake "Vikings" football team which holds third place in A-P State Class "B" ratings and top of league in Inter-Lakes conference. Tom plays first string Right Guard offensive which has rolled up 156 points in 6 games this season. Tom attended Feldhauser School for 3 1/2 years and Grayling School for one term — as you see — he's still a Viking.

Still receiving your very excellent publication which keeps us in touch with our old friends and to a very thoughtful mother-in-law — Mrs. Tom Wells of Plum street.

Please extend my best regards to Mrs. Strong and to your very capable columnist Jack Pine who is doing an excellent job as he always has — If I remember him correctly.

Yours very truly  
Fred Ward

### LEGAL NOTICE

To the Owner or Owners of any and all interests in or Liens upon the Lands herein described

TAKE NOTICE: that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereto under tax deed or deeds issued therefor, and that you are entitled to a recon-

voyance thereof, at any time within six months after return of service of this notice, upon payment to the undersigned or to the Register in Chancery of the County in which the lands lie of all sums paid upon such purchase, together with fifty per centum additional thereto, and the fee of the Sheriff for the service or cost of publication of this notice, which fee shall be the same as provided by law for service of subpoenas or for orders of publication or the cost of such service by registered mail, and the further sum of five dollars for each description, without other additional cost or charges. Provided, That with respect to purchasers at the tax sale held in the years 1938, 1939 and 1940 the sum stated in such notice as a condition of reconveyance shall only be all sums paid as a condition of the tax title purchase, together with ten per centum additional thereto. If payment as aforesaid is not made, the undersigned will institute proceedings for possession of the land.

Description of Land: State of Michigan, County of Crawford, Northeast quarter (NE 1/4) of Northwest quarter (NW 1/4), Section 28, Town 25N, Range 3W, Tax for Year 1952, Amount paid, \$9.41.

### Fastest "News Service" in Town!

Had a frantic wire from Washington yesterday—saying that the local Congressman was making a surprise visit and a short speech. Could I get the word around fast?

No time for a special edition of the *Clarion*, so I turned to the fastest "news service" in town... Windy Taylor. He spent an hour mobilizing his Lodge and Court House cronies—all pretty fair talkers—and the rest is history. Biggest turnout ever.

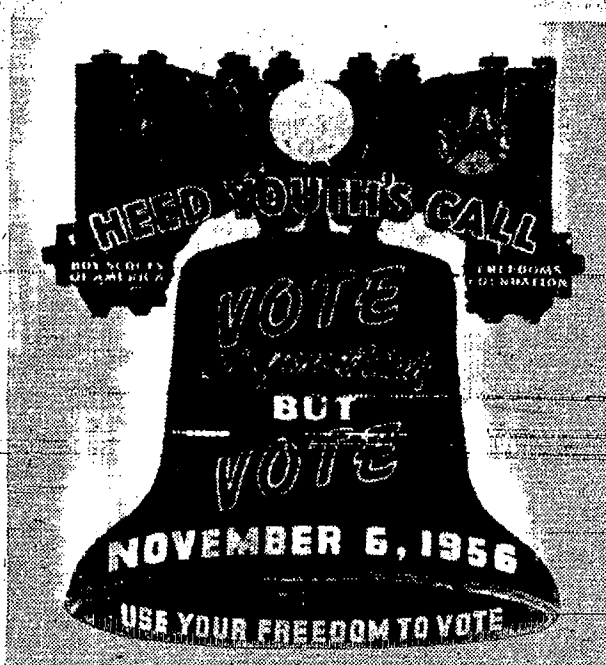

As a newspaperman, I hate to admit it—but facts are facts. The Windys of this world aren't only quicker news spreaders

than our paper... they've even got better circulation. From where I sit, some of us would rather talk than eat, while others are close-mouthed... just as some of us like coffee and others prefer a glass of beer. There's a lot to be said for both attitudes. But if you go in for gab—don't talk against someone just because you don't happen to agree with him on some question of personal choice. Use your own "good censorship."

### BITS O' TALK

Mr. and Mrs. Glenn Day left Thursday to spend the winter in Hollywood, Florida. They stopped enroute in Lansing to visit their son, Dr. Dennis Day, and in Detroit to visit Glenn's mother, Mrs. Clara Day.

At the Ralph King home the Rev. and Mrs. Fred G. Olson of Newberry were visitors Sunday and Monday of last week. Rev. Olson is pastor of the Messiah Lutheran church at Newberry. While here he christened the King's 6-week old son, David Jonathan.

The Jack Ales entertained Mr. and Mrs. Jack Mason and Mr. and Mrs. John Hume at dinner Tuesday of last week.

Mrs. Lee Pierce and daughter Mrs. Larry Hazen, and Mr. and Mrs. Elyia all of Post Huron, visited the ladies' nephew and family, the Charles Moores, from Monday until Wednesday of last week.

The Robert Strong, and the Walter Mikesells attended the football game at Mt. Pleasant on Saturday. They also visited the former's daughter, Mr. and Mrs. Robert Luter during the day.

Miss Fatti McNeil and brother Mike spent weekend before last with their father, James McNeil, in Traverse City.

Mrs. Clare Madsen, son Skip and granddaughter Monica Stephan spent Wednesday of last week in Traverse City.

Jack Cook the booty prize, at a string-rolling contest.

Mrs. S. L. Ballard was the honor guest at a farewell-dinner party at the John Ludeman home October 24th. The Ted Stephens, the A. M. Baileys and the James McGuiness of Harrisville were guests.

Word has been received of the death of Adam Zimmerman, of Lansing, who spent summer's at his cottage on Collen Ave., Oak Hill Park, at Lake Margrethe, the past eighteen years. He died Sunday at his home after a long illness. He was a past master of the Blue Lodge and past patron of Dimondale, O. E. S. Surviving are the widow, Elsa; two daughters, Mrs. Gerald Harding of Lansing and Mrs. James Merchant of Windsor township.

The Harold MacNevens returned Monday of last week from visiting friends and relatives in Lansing and South Bend.

Mrs. Leslie Hunter and Mrs. William Mosher spent Tuesday and Wednesday of last week in Grand Rapids, on business.

Mrs. Leonard Knibbs was hostess to her bridge club, Wednesday evening of last week. Mrs. Bill Joseph had high score for the evening and Mrs. Don Gothro second high. Mrs. Leonard Allison received consolation prize. Mrs. Allison will be hostess to the group on November 7th.

Mr. and Mrs. Mel Lucksted drove to Sebawa Friday a week ago, for some pheasant hunting. They met their son Orville, of the U. of M. at Ann Arbor, Friday night in Bay City. He hunted with his father, returning to Ann Arbor with an uncle, Elmer Propst, of Van Dyke on Sunday. The Lucksteds stayed with Mr. and Mrs. Don Czernik in Sebawa, Mrs. Lucksted returning home the next day, with her son Allan, Miss Beth Koerber and Charles Kroll, who drove down to get her. Mr. Lucksted remained to hunt the rest of the week.

Mr. and Mrs. Jimmy Cramb left Sunday a week ago for Toledo, returning the following Tuesday. They attended the funeral of Mrs. Ed Liska on Monday while there. On Thursday Marty Cramb, president of the Professional Golfers Ass'n. of Toledo arrived here to visit his brother.

## LEST WE FORGET A STORY OF RESULTS ... ... NOT PROMISES

During the last few years, and recently, labor leaders  
throughout the state, have passed out the information that Rep-  
resentative Emil Peltz has a record of being opposed to legisla-  
tion favorable to the working man. Nothing is further from the  
truth.

Let us set the record straight. It is true that many, many  
bills that have been introduced on that subject have been voted  
down. Many of them were introduced for that purpose by the  
authorities merely to make the record of some people look  
bad.

This has been especially true in the last six years.  
The fact remains that Representative Peltz has voted in  
favor of every law that has been enacted in the last twelve  
years that has given additional advantage to the working man.  
The record proves that.

On Thursday, October 11th, democratic Senator John F.  
Kennedy from Massachusetts who was brought to Michigan by  
the Democratic Party to speak in a democratic rally in Detroit  
made this statement: "Michigan is one of the two states which  
has come close to meeting President Eisenhower's recommenda-  
tion for maximum standards for unemployment compensation."  
Naturally the audience was shocked. No democrat in Michigan  
had ever told these people the truth. It is a credit to this out-  
state statesman, who was a candidate for vice-president to bring  
the truth to Michigan democrats.

If this statement is true, and it is, then it follows that the  
achievement was due to a republican dominated legislature in  
Michigan. Representative Peltz has been a part of that republi-  
can dominated legislature in Michigan for the last twelve years  
and during that time when that position has been established.  
The other forty-six states, many of them dominated by democ-  
rats, have not thus far advanced the cause of the working man.  
But let's look into the record and get down to specific local  
problems.

The Great Lakes Seamen's Compensation Law never was  
enacted until Representative Emil Peltz and Senator Frank An-  
drews of Michigan got behind it and steered it through the Legis-  
lature.

Less than six months ago we had a very unhappy situation  
with the State Ferry employees operating the boats at the Straits  
of Mackinac. They were rightfully unhappy because they were  
expected to operate the state ferry boats until such time as the  
bridge would be completed. They had no assurance of jobs after  
that. They were not covered by unemployment compensation.  
It was obvious that a state ferry tie-up would take place dur-  
ing the heavy traffic season of 1956.

The State Legislature realized the seriousness of the situ-  
ation. Representative Peltz had been called to the scene by the  
representative of the ferry employees. He knew the  
problem.

He took it to the Legislature. He was not a member of the labor  
committee, the Legislature assigned him the task of negotiating  
with the ferry employees for a settlement. Representative  
Peltz, at his own expense, met with the committee representing  
the ferry employees three times. A peaceful agreement was the  
result.

He took the proposal to the Legislature and it was immedi-  
ately approved. The result:

1. Ferry employees are assured unemployment compensation  
when their jobs terminate as a result of the completion of the  
bridge.

2. Every effort will be made by the Civil Service Commission  
to obtain other employment for them for which they are fitted.

3. There will be no interruption of ferry service between  
now and the time when the bridge will be opened for traffic.

4. Vacationers and deer hunters are assured that there will  
be no tie-up at the ferry docks during the next year.

5. The State of Michigan and especially the upper part of the  
Lower Peninsula and the Upper Peninsula can rest assured that  
there will be no economic loss due to an interruption of ferry  
service.

Space does not permit us to go into further detail in explain-  
ing the many things that Representative Peltz has done to im-  
prove the situation for all employees of his area. You can check  
the records for further details.

But the next time someone tells you that Peltz has been op-  
posed to the needs of the working man, look him straight in the  
eye and challenge him to prove his statements—from past records.

## Summer Resident Honored For 50 Years of Service By Association

### Spends Half Century In Patent Quest

The following story is from the  
Indianapolis, Indiana News and  
the subject, George B. Schley is  
a summer resident at Lake Mar-  
grette where he and his wife have  
spent many, many happy sum-  
mers.

"Patent lawyers are not frus-  
trated inventors with a yen for  
making 'Rube Goldberg' gad-  
gets, says one who should know  
—the city's oldest patent lawyer,  
George B. Schley.

The 77-year-old graduate of  
the old Manual Training High  
School was recently honored by  
the American Patent Association  
for his more than 50 years of ser-  
vice in quest of that elusive phase,  
U. S. Pat. Reg. (Registered).

Though he dabbles in chemis-  
try, he disclaims any 'secret in-  
vention' to be an inventor himself.

### Army Now Offers Six Months Enlistments

M/Sgt. Johnnie W. Bush of the  
Traverse City U. S. Army Recruit-  
ing Station announced to day  
that his office is now accepting 6  
months enlistments. Young men  
who enlist for this program will  
go on active duty after completion  
of high school or upon reaching  
age 20. After completion of 6  
months training these young men  
will be assigned to one of the  
Army Reserve Units in this area  
for the remainder of their Reserve  
obligation.

M/Sgt. Bush also stated that his  
office will accept 2 year enlist-  
ments until further notice. All  
young men of draft-age are urged  
to investigate this program and  
see how it would benefit them  
to enlist for 2 years now rather  
than wait for the draft.

## BAND NEWS

We have one more game at  
which we will perform.  
This half-time we will dedicate  
to the Seniors in the band. They  
include: Susie San, Carter, Mar-  
tha Stillwagon, Linda Failing,  
Sally Munner, Elaine Goss, Eve-  
lyn Johnson, Carolyn Barber,  
Charles Garland, Shirley Malloy  
and the Color Guard with Don  
Campbell, Steve Smith and Bob  
Houghton.

We welcome Shirley Malloy and  
Ann Stamply back into the band.  
The big thing with a number of  
of girls now is tryouts for major-  
ettes. The girls in the 7th grade  
interested are: Pauline Millikin,  
Elaine Bancroft, Charlene Holt-  
camp, Pamela Buettner, Gwen  
Davis, Nancy Hubbell, Kay Ann  
Thompson, Jill Jones, Jean Gary  
and Glenda Schofield. 8th grade  
include: Linda Smock, Gloria  
Hartfield and Sharon Blaine. 9th  
grade: Valerie Southworth, Tara  
Starlett, Griffith. The day of  
choosing is November 7th at 4  
p. m. Mr. Christian says it is  
never too late to come out.

Paul Johnson, one of our new  
members has this to say about  
his former band days. He has  
played trombone for six years. He  
was first chair in the Kalamazoo

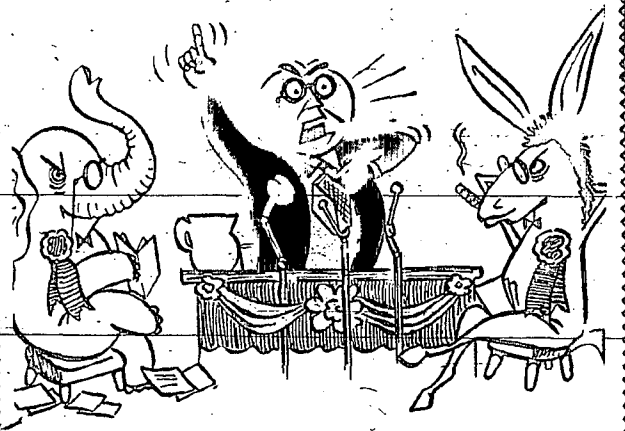

Central "P" Band, which he says  
is the same as our Senior Band.  
He also played in the All City  
Band for four years. He has been  
in different bands for 4 or 5 years.  
Our other new member is Gail  
Osborn. She comes from Linden,  
Michigan where she was the sec-  
ond majorette and also played a  
cornet. She was in Junior and  
Senior Bands for a total of seven  
years.  
Both Gail and Paul think we  
have a good band and director.  
I think with more work and  
practice we can have one of the  
best class "C" bands in northern  
Michigan.

**CONCRETE  
COOPERATES**  
...with your eyes  
...with your brakes

Safe driving at night, when accident frequency is high-  
est, depends on being able to see far and stop quickly.  
If you can't see—if you can't stop—you can't be safe!

Concrete cooperates with your eyes. Its light color  
reflects much more of your car lights than dark-colored  
pavement. Its grainy surface diffuses light in all di-  
rections, letting you see a maximum distance forward.  
You can see better—and farther—on concrete.

Concrete cooperates with your brakes. Tires quickly  
grab and firmly hold to its gritty texture. On concrete  
you get uniformly high skid resistance, rain or shine.  
On concrete you can make faster, smoother, safer stops.

NOTES	
Automatic Washers - Convenience and Safety in Use.	
When you choose an automatic washer, convenience and safety in use are among the points to consider. For example, how do you load the machine? Can you add clothing after the washing action has started? Are the dials easy to read? Consider these questions as you think about using the washer in your home.	
recommends Lucile Ketchum, extension specialist in home management at Michigan State University.	
As Miss Ketchum points out, most automatics now are fully automatic... that is, you can set the dials, walk away and the machine will do the rest. Some have manually controlled dials. You will be able to decide better than anyone else whether that will be convenient for you.	
Most washers now also have flexible controls. That means you can stop and start the machine as you repeat or skip parts of the cycle, and use a smaller amount of water than the normal fill. This has obvious advantages for you... allowing you automatic washing for normal loads, but controls to meet special needs.	
There are several safety features to check on, claims Miss Ketchum. You will want to know how the motor is protected against overload. You may find either a fuse or a circuit breaker. You will want to know where it is and how to reset it.	
Some machines now are made stops when the lid is raised. This is a good feature for protecting small children... and yourself, too.	
Lucile Ketchum of Michigan State is emphatic about this next line: All washing machines should be grounded... automatic or non-automatic washers. This means a ground wire attached to a metal pipe which goes deep into the ground. In case of a short in the wiring, the ground wire literally carries the dangerous current away from you into the ground. In some automatics the ground wire is built-in. You will want to find out whether this is so or not and where the concealed ground wire is. It is a simple matter to have a washer grounded, if there is no built-in ground, but be SURE it is grounded.	

## Local Girl Outstanding Junior Red Cross Leader In North Asia

(Left to right) Sung Sook Ja of Seoul, Korea, dresses her American friends, Deirdre Hayes of Grayling and Hazel High of Albuquerque, New Mexico, in Korean costume as the Junior Red Cross center, Gifu, Japan.

Deirdre Hayes, age 13, of Grayling, was chosen as one of the outstanding Junior Red Cross leaders in North Asia to represent her school, Callaway, at the 1956 American Junior Red Cross Leadership Training Center, held for ten days recently at Gifu Air Base, 246 miles from Tokyo, Japan. She is the daughter of (Army) Captain Louis F. Hayes.

The conference, sponsored by the American Junior Red Cross, was attended by 91 teen-age delegates, both boys and girls, including 41 Japanese, 39 Americans, one German from Yokohama and 10 Koreans. The faculty was comprised of 34 American, Japanese and Korean Red Cross workers and educators.

At the center the delegates studied Red Cross at work around the world, compared the Junior Red Cross activities in their various schools and observed each other's customs and cultures. Rounding out activities were swimming and lifesaving classes, home nursing instruction, crafts, games and evening programs of skits, dramas and other entertainment, presented by the students.

The teenagers operated the training center themselves, through a governing body elected from their own ranks.

In the following story Deirdre gives her impressions.

Camp Drew, Japan—"When I

think back on the Junior Red Cross center at Gifu I wonder how it was possible for me to learn so much in such a short time. I learned in the study groups about work of the Red Cross, but most important is what I learned from being around students from Japan and Korea.

The Japanese and Koreans were most friendly. They are wonderful people. They are very serious with the Americans and very polite. The Koreans, especially, had marvelous manners. The Korean boys opened doors for our girls, helped us with our things and carried our belongings. Most of the American boys were not nearly as polite.

A Japanese girl, who was one of my roommates, told me that since the war Japanese fathers are nicer to their children. They used to be. She doesn't remember much about the war because she was only a tiny girl then, but from what her mother says, the Japanese have changed their attitude somewhat.

In our study groups we told each other about what the Junior Red Cross does in our schools. Dong Ho, a delegate from Incheon, Korea, told how the Junior Red Cross members in his school visit all old people's home. One of the boys from Seoul explained how the Junior Red Cross members there form teams and go to villages to teach reading and writing. The Japanese run stores in the schools and use the money to help the poor. The Japanese send Junior Red Cross gift boxes to other countries, just as we Americans do.

One of the Korean girls, Sung Sook Ja, let me try on one of her Korean dresses. I would love to own one!

## Record Tourist Year Hopes Washed Away By Summer Rains

Dark clouds cast a shadow over Michigan's 1956 summer tourist season and wet weather washed away from 3 to 6 percent of the state's anticipated vacation business.

But great draughts of October rain, oldest miracle cure on the market, and wet weather is expected to whittle down the drop in the state's 1956 recreation totals when all the figures are in.

"In June our usual travel barometer indicated we could expect some 10 percent increase over 1955, a record \$600-million year," Robert J. Furlong of the Michigan Tourist Council said this week.

"Traffic at the state's early fishing license sales, sales tax projections and personal reports from all parts of the state all pointed to another boom tourist year."

"And then the rains came. It rained 39 days in July and August. It's difficult to sell vacations from beneath an umbrella."

"But, considering the miserable weather during our two best tourist months," he added, "we really can't complain too much about the overall picture in the state."

"The Tourist Council earlier had authorized a record \$16,000 fall advertising campaign, and, with a little belated cooperation from the weather, fall color in the state attracted an unprecedented crowd of travelers to help offset summer losses."

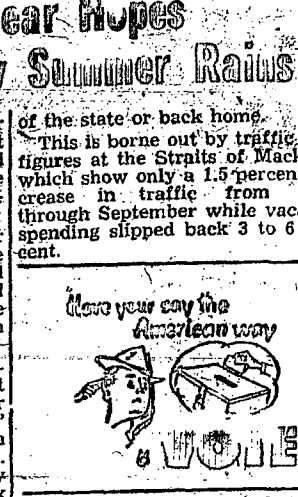

Early October reports from the state ferries already show a 7 percent rise in traffic between the upper and lower peninsulas over the same period for 1955.

"But this is small comfort to the lakeside owners," Mr. Furlong said. "Understandably, they suffered the greatest loss."

It was too wet to fish and too cold to swim, one resister lamented.

"The tourists were here in the state, but they kept looking just over the hill for better weather. Apparently they kept right on looking until they were either out of the state or back home."

This is borne out by traffic flow figures at the Straits of Mackinac which show only a 1.5 percent decrease in traffic from June through September while vacation spending slipped back 3 to 6 percent.

## Bits O' Talk

Mrs. James Richardson of West Branch and Mrs. Ernest Richardson of South Branch attended the O.E.S. installation Saturday a week ago.

If you have seen and been wondering about an old Model A Ford which visited our town three times last weekend, it was part of a party of eleven, up here for four days of hunting and fun, at Whippoorwill on the AuSable.

Mr. and Mrs. Sid Leahy of Birmingham, here guests of Mr. and Mrs. Walter Bromley of Bloomfield Hills. The Bromley's children, Judi, Tom and John entertained their friends, Betty Hamilton of Bloomfield Hills, Jane Torven, Sue and Bob Leahy of Birmingham. Sunday night, Mr. Bromley, Mr. Leahy and the boys left for Houghton Lake to try their luck there, and they also planned to meet Mr. Kaganeyer and son, Bob of Birmingham. Trying to outdo their husbands, Mrs. Bromley and Mrs. Leahy went out early Monday, to get their limit. Within an hour they were back. Why? Because Mrs. Leahy got stuck knee deep in mud and her enthusiasm faltered. The kids had a terrific time, what with the Model A, long distance telephone calls, the movies, hunting and records by Elvis Presley. Most of all though, thanks should be given to Frank Bromley for the use of his hot car. Frank missed out on it all as he attends school in New York.

Ronald Pickard of Monroe was the weekend guest of Miss Marilyn Burke at the home of her parents, the Marion Burcks.

Mr. and Mrs. Marion Fay report that their son, Jim/2 Marion and Mrs. Fay, are the parents of a son, Robert Keith, who was born Oct. 23rd at Portsmouth Naval Hospital, Portsmouth, Va. The Fays live at Virginia Beach, Va. Mrs. Leona Simpson of Jacksonville, N. Car., is the baby's maternal grandmother.

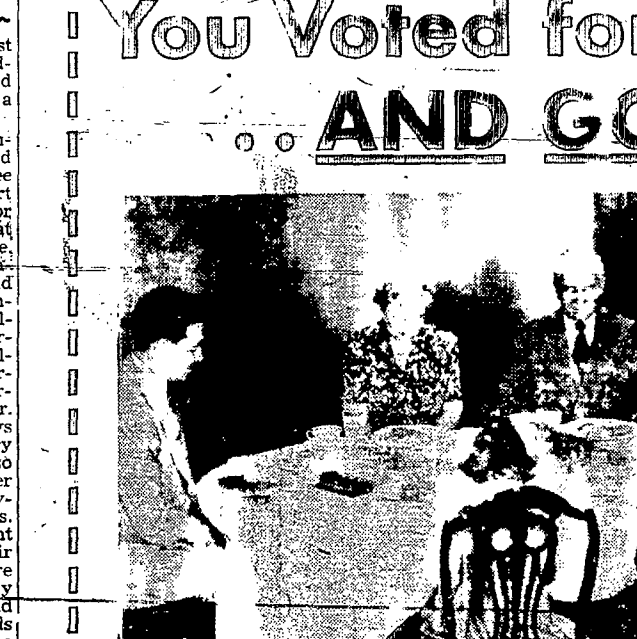

Li. George Schaible, Jr., returned Wednesday from a ten-day stay at the U.S. & F.O. office in Lansing. Mrs. Schaible visited her parents, the Notter VanderMeulen is Lansing during that time.

Among those who attended the Central Michigan University football game last night, Pleasant on Saturday were Art Goodrich, who was accompanied by Don Leslie, Tim Perry, Richard Moore and Bill Koerber. Russell Carlson, with Oscar Horning, Larry LaGrave, Richard Mudge and Leo Bochette. John MacAuley, with Ronnie Holcamp, Mike Robertson, Jimmy Sorenson, Jan Thayer and Teddy Horning; and Herbert Wolff, Jr. with Ronnie Keller, Russ Balleger and Jim Perry.

Mrs. Russell Carlson and Mrs. Red Wolfgang of Roscommon spent Wednesday and last Thursday in Lansing, attending an O. E. S. installation. Saturday Mrs. Carlson and daughter Karen spent the day in Mt. Pleasant. Monday, Mrs. Carlson, Mrs. Nyland Houghton and Mrs. Floyd Cole were in West Branch.

Mr. and Mrs. Menno Corwin spent Sunday in Flint, visiting their daughter, Mr. and Mrs. Russell Scholten and children. Mrs. Scholten and Becky and Johnny accompanied them home to spend a week.

## You Voted for PEACE AND GOT IT!

## Now Your Vote Is Needed To Protect It!

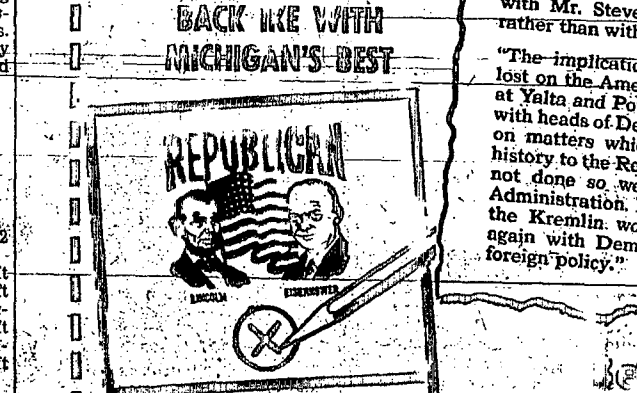

President Eisenhower brought us peace. He brought us prosperity, too, without having American boys dying on foreign soil to pay for it! You can put your trust in President Eisenhower.

But, can you trust the future of your children, your home, your job, your country to the Democratic Party that is advocating weakening of our defense? Can you? You be the judge on November 6th at the polls!

Every man and woman in Michigan should read this editorial from the Detroit Free Press (October 23) before voting:

## BACK ME WITH MICHIGAN'S BEST

Vote Straight

REPUBLICAN

REPUBLICAN STATE CENTRAL COMMITTEE

There's no way to buy freedom when we want it. Only through assuming our responsibilities as individuals can we develop or even maintain the freedoms we have.

One of those responsibilities is to vote for those individuals and ideas in which we believe. We shall be called upon to assume again that responsibility in a few days.

We all have our own date of candidates and ideas. Some of our neighbors have the same ones; others differ. But the important thing is not that we agree or disagree, but that we all express our views at the ballot box.

We believe that this is essential for democracy to thrive. We have based the organization of our rural electric system on that belief. The votes of our members set the policies of this locally-owned, locally-controlled rural electric system.

To that one principle we attribute our success as a tax-paying local business enterprise. To that same principle we attribute the success of our nation.

Failure of our members to assume their responsibilities would weaken our business, just as surely as failure of all of us in our responsibilities as citizens would weaken our democratic nation.
